BENEFITS FOR YOU AND YOUR FAMILY

Prime, Inc., offers a comprehensive benefits program which is designed to help you stay healthy, feel secure, and maintain a work-life balance. Offering a competitive benefits package is just one way we strive to provide our associates with a rewarding workplace. Please read the information provided in this guide carefully. For full details about our plans, please refer to the Summary Plan Descriptions located at www.primeincbenefits.com. You can also request a free Summary Plan Description from the Human Resources Department.

Listed below are the benefits available during your New Hire Open Enrollment:

Who Is Eligible?

All W-2 associates scheduled to work at least 30 hours per week are eligible to participate in Prime's benefits program. Eligible associates may also enroll their legal spouse and dependent children (married or unmarried). A dependent child must be under 26 years old and may be the natural child, stepchild, legally adopted child, child placed for adoption, or other child for whom the associate has permanent legal custody.

When and How Do I Enroll?

As an in-house associate you are required to go through "active enrollment" process to either decline or enroll in Prime's benefit offerings. This active enrollment will ensure that all associates are aware of the benefits offered by Prime including insurance offerings that come with guarantee issue clause for new associates only. During this process, we also ask that you confirm that you understand the following statement: "Due to the Affordable Care Act, it is important to know that we offer you a qualified, affordable plan that satisfies the employer mandate."

There Are Two Options to Enroll:

Option 1: MyPrime Self-Service Benefits Portal.

Log on and view or change your coverage by using the MyPRIME button in the Prime Mobile app or by going to www.myprimeinc.com and logging in using your sign-on code and password, or click on MyPrime under the Associates Portal. If you do not know your password, contact the Help Desk at 417-521-3148.

Option 2: Speak with a Benefits Educator through the Enrollment Call Center.

You can call 877-859-6107 to speak with a representative from 8 a.m. to 7 p.m. CST Monday-Friday and 9 a.m. to 3 p.m. CST Saturday.

When Is My Coverage Effective?

If you have satisfied your new-hire eligibility, your core benefits (medical, dental, vision, HSA, dependent care and basic life) will be effective the Saturday following your 30th day at Prime. All other benefits (supplemental life, permanent life, accident and critical illness) will be effective the 1st of the month following 30 days of employment.

Changing Coverage During the Year

You can change your coverage during the year when you experience a qualifying change in status, such as marriage, divorce, birth, adoption, or loss of coverage. The change must be reported to the Human Resources Department within 30 days of the event and must be consistent with the event. For example, if your dependent child no longer meets eligibility requirements, you can drop coverage for only that dependent.

Vacation Policy

Vacation will accrue at a rate of 1/2 day per month for the first 10 months of employment with Prime. After the first anniversary is reached, vacation will be applied annually on the anniversary date as follows:

- 1 week after 1 year.
- 2 weeks after 3 years.
- 3 weeks after 5 years.
- 4 weeks after 10 years.

HEALTH SAVINGS ACCOUNT (HSA)

A Health Savings Account will be available for all associates enrolled in the HDHP. An HSA is a personal healthcare bank account that you can use to pay out-of-pocket medical expenses with pre-tax dollars. You own and administer your healthcare savings account. You determine how much you will contribute to your account, when to use your money to pay for qualified medical expenses, and when to reimburse yourself. HSAs allow you to save and roll over money if you do not spend it in the calendar year. This is a bank account; you must have money in the account before you can spend it. The money in this account is always yours. If you change health plans or jobs, the money in the account is yours to keep.

Note: Bank of America will charge a \$2.25 monthly fee for the HSA account.

You are eligible to open and fund an HSA if:

- You are covered by an HSA-eligible High Deductible Health Plan, such as the HDHP for 2020.
- You are not covered by your spouse's health plan (unless it is a qualified HDHP), Flexible Spending Account (FSA), or Health Reimbursement Account (HRA).
- You are not enrolled in a Healthcare FSA.
- You are not eligible to be claimed as a dependent on someone else's tax return.
- You are not enrolled in Medicare, TRICARE, or TRICARE For Life.

You can use HSA money to pay for qualified medical expenses now or in the future. Your HSA can be used for your expenses and those of your spouse and dependents, even if they are not covered by the HDHP. Qualified medical expenses are defined by the IRS. These expenses include doctor's office visits, deductibles, coinsurance, and prescription drugs. IRS Publication 502 provides a complete list of eligible expenses and can be found at www.irs.gov.

Prime's Contribution

Prime will make a contribution to your account based upon your HDHP Medical coverage tier. Prime's 2020 weekly contribution: \$5.77/week or \$300 annual for associate-only coverage and \$9.62/week or \$500 annual for family coverage. If you are enrolling in the HDHP for the first time, Prime's contribution will be \$11.54/week or \$600 annual for associate-only and \$19.23/week or \$1,000 annual for family coverage.

Prime has partnered with Bank of America to administer the HSAs opened by associates participating in the HDHP. You can elect to participate in the HSA and have deductions taken on a pre-tax basis and deposited into your account. You may also start an HSA at a financial institution of your choice. In that case, you would deposit funds on an after-tax basis and deduct the amount of your contributions when you file your income taxes.

Catch-Up Contribution

Individuals age 55 or older may make an additional \$1,000 annual contribution to their HSAs.

There Are Three Ways to Maximize Your Tax Savings

1. Contributions to an HSA are tax-free. (They can be made through payroll deduction on a pre-tax basis when you open an account with Bank of America.)
2. The money in this account (including interest and investment earnings) grows tax-free.
3. As long as the funds are used to pay for qualified medical expenses, they are spent tax-free.

HSA Funding and Limits*

The 2020 IRS maximum contributions for these accounts are:

- \$3,550 self-only and \$7,100 family.

*Employees are responsible for tracking annual limits. Funding limits include both employer and employee contributions.

DEPENDENT CARE FSA

What Dependent Care Is All About

The Dependent Care Flexible Spending Account (FSA) allows you to set aside pre-tax dollars to cover qualified child care or disabled dependent care expenses you would normally pay out of your pocket with post-tax dollars. You pay no federal or state income taxes on the money you place in a Dependent Care FSA.

How a Dependent Care FSA Works

- Choose a specific amount of pre-tax money to contribute each pay period to your account during the year.
- The amount is automatically deducted from your pay at the same level each pay period.
- As you incur eligible expenses, submit the appropriate paperwork to be reimbursed by the plan.

Important Rules to Keep in Mind

- The IRS has a strict “use it or lose it” rule. If you do not use the full amount in your Dependent Care FSA by the end of the calendar year, you will forfeit any remaining funds, so please plan your contributions carefully.
- Once you enroll in the Dependent Care FSA, you cannot change your contribution amount during the year unless you experience a qualifying life event.
- You cannot transfer funds from one Dependent Care FSA to another.
- Re-enrollment is required each year.

Plan	Annual Maximum Contribution	Examples of Covered Expenses
Dependent Care Flexible Spending Account	\$5,000 married filing jointly/ \$2,500 single or married filing separately	Day care, nursery school, elder care expenses

UNIVERSAL LIFE (PERMANENT LIFE INSURANCE)

Life insurance is a promise to your family to help protect their future. Trustmark Universal LifeEvents® insurance is permanent Life insurance that provides a death benefit for your family if something happens to you or your spouse.

- It helps provide permanent financial protection.
- It is a financial tool that helps you manage life at every stage, from supporting a family to sending your children to college to the need for long-term care.
- It builds cash value over time, and you can access it for life's challenges and opportunities.

Benefits can be paid as a death benefit, a living benefit, or a combination of both. Your coverage is fully portable at the same rate, so you can take it with you if you change jobs or retire. This plan offers family coverage. You may protect your spouse, your children up to age 23, and your grandchildren up to age 18 with Universal Life insurance, even if you choose not to participate.

Guaranteed Issue (No Health Questions Asked)

New Hires/Newly Eligible (First Time Offered Coverage)

- Associate: The lesser of \$16 per week or \$200,000 (age 64 max).

Non-Participants (if you did not elect coverage at your first opportunity)

- Associate: The lesser of \$8 per week or \$200,000 (age 64 max).

The LifeEvents Advantage

LifeEvents is designed to match your needs throughout your lifetime. It pays a higher death benefit during working years when expenses are high and your family needs maximum protection. Then at age 70, when financial needs are typically lower, the death benefit reduces to one-third. Consistent levels of living benefits throughout retirement are provided when you are most likely to need long-term care services.

Living Benefits

Long-Term Care (LTC)² pays a monthly benefit equal to that of your death benefit for up to 25 months. The LTC benefit accelerates the death benefit and proportionately reduces it.

Benefit Restoration³

This Restores the death benefit¹ that is reduced to pay for LTC, so your family receives the full death benefit amount when they need it most.

Optional Benefits Available to Each Individual Associate for Additional Premium

Waiver of Premium: This benefit covers total disability of the primary insured and waives the premium for the base coverage and riders after the six (6)-month elimination period.

¹Death benefit reduces to one-third at the latter of age 70 or the 15th policy anniversary.

²The LTC benefit is an acceleration of the death benefit and is not Long-Term Care insurance. It begins to pay after 90 days of confinement or services, and to qualify, you must meet conditions of eligibility for benefit. Pre-existing condition limitations may apply. ACCIDENT INSURANCE

The Trustmark Accident insurance is designed to help cover the out-of-pocket expenses that result from a sudden covered accident. Since health insurance covers only certain expenses, an Accident insurance benefit will provide you a lump-sum cash benefit when a covered member is hurt unexpectedly.

The Plan Covers a Wide Variety of Injuries Due to Covered Accidents Such As:

- Burns and stitches.
- Dislocations or fractures.
- Emergency dental work.
- Eye injuries.

Examples of Covered Accident-Related Expenses

- Hospitalization—up to \$2,000 in reimbursable benefit.
- Follow-up office visit—up to \$100 in reimbursable benefit.
- Physical therapy—up to \$50 (maximum of 6 visits per year).
- Ambulance trips—up to \$450 (100 miles requirement; up to 3 trips).
- Surgery—up to \$2,000 in reimbursable benefit.
- **Wellness visits—\$100 per person on the plan once per year (in most states).**
- Emergency room services—up to \$200 in reimbursable benefit.

Benefits are paid for non-occupational accidents* or off-the-job accidents and are paid regardless of any other Medical benefits you may have. Coverage is available for you, your spouse, and your eligible children. There are no health questions and no physical exams required.

Your coverage is portable, which means you can take your policy with you if you leave the company. Your Benefits Educator can provide you with detailed information about the plan and costs during your enrollment session.

*Benefits may vary by state, and additional benefits may be available in some states. Most benefits are paid once per person per covered accident unless otherwise noted. A-607 is underwritten by Trustmark Insurance Company, Lake Forest, Illinois.

If you choose to cover your spouse, he or she may receive 50% of the associate benefit amount; your child may receive 10% of the associate benefit.

If you've been diagnosed with a covered condition prior to having coverage, you may not be eligible for a benefit for that condition. Please consult your policy/group certificate for specific covered conditions. Most skin cancer is excluded. CACI-82001 is underwritten by Trustmark Insurance Company, Lake Forest, Illinois.
