Changing Coverage During the Year

You can change your coverage during the year when you experience a qualifying change in status, such as marriage, divorce, birth, adoption, or loss of coverage. The change must be reported to the Human Resources Department within 30 days of the event and must be consistent with the event. DEPENDENT CARE FSA

What Dependent Care Is All About

The Dependent Care Flexible Spending Account (FSA) allows you to set aside pre-tax dollars to cover qualified child care or disabled dependent care expenses you would normally pay out of your pocket with post-tax dollars. You pay no federal or state income taxes on the money you place in a Dependent Care FSA.

How a Dependent Care FSA Works

- Choose a specific amount of pre-tax money to contribute each pay period to your account during the year.
- The amount is automatically deducted from your pay at the same level each pay period.
- As you incur eligible expenses, submit the appropriate paperwork to be reimbursed by the plan.

Important Rules to Keep in Mind

- The IRS has a strict “use it or lose it” rule. If you do not use the full amount in your Dependent Care FSA by the end of the calendar year, you will forfeit any remaining funds, so please plan your contributions carefully.
 - You may still use any remaining Dependent Care FSA funds for the first two and a half months of your next plan year.
- Once you enroll in the Dependent Care FSA, you cannot change your contribution amount during the year unless you experience a qualifying life event.
- You cannot transfer funds from one Dependent Care FSA to another.
- Re-enrollment is required each year.

Plan	Annual Maximum Contribution	Examples of Covered Expenses
Dependent Care Flexible Spending Account	\$5,000 married filing jointly/ \$2,500 single or married filing separately	Day care, nursery school, elder care expenses

UNIVERSAL LIFE (PERMANENT LIFE INSURANCE)

Life insurance is a promise to your family to help protect their future. Trustmark Universal LifeEvents[®] insurance is permanent Life insurance that provides a death benefit for your family if something happens to you or your spouse.

- It helps provide permanent financial protection.
- It is a financial tool that helps you manage life at every stage, from supporting a family to sending your children to college to the need for long-term care.
- It builds cash value over time, and you can access it for life's challenges and opportunities.

Benefits can be paid as a death benefit, a living benefit, or a combination of both. Your coverage is fully portable at the same rate, so you can take it with you if you change jobs or retire. This plan offers family coverage. You may protect your spouse, your children up to age 23, and your grandchildren up to age 18 with Universal Life insurance, even if you choose not to participate.

Guaranteed Issue (No Health Questions Asked)

New Hires/Newly Eligible (First Time Offered Coverage)

- Associate: The lesser of \$16 per week or \$200,000 (age 64 max).

Non-Participants (if you did not elect coverage at your first opportunity)

- Associate: The lesser of \$8 per week or \$200,000 (age 64 max).

The LifeEvents Advantage

LifeEvents is designed to match your needs throughout your lifetime. It pays a higher death benefit during working years when expenses are high and your family needs maximum protection. Then at age 70, when financial needs are typically lower, the death benefit reduces to one-third. Consistent levels of living benefits throughout retirement are provided when you are most likely to need long-term care services.

Living Benefits

Long-Term Care (LTC)² pays a monthly benefit equal to that of your death benefit for up to 25 months. The LTC benefit accelerates the death benefit and proportionately reduces it.

Benefit Restoration³

This Restores the death benefit¹ that is reduced to pay for LTC, so your family receives the full death benefit amount when they need it most.

Optional Benefits Available to Each Individual Driver for Additional Premium

Waiver of Premium: This benefit covers total disability of the primary insured and waives the premium for the base coverage and riders after the six (6)-month elimination period.

¹Death benefit reduces to one-third at the latter of age 70 or the 15th policy anniversary.
²The LTC benefit is an acceleration of the death benefit and is not Long-Term Care insurance. It begins to pay after 90 days of confinement or services, and to qualify, you must meet conditions of eligibility for benefit. Pre-existing condition limitations may apply. Living benefit may not be available in all states or may be named differently. Please consult your policy for complete details.
³Not available in all states or may be named differently in some states.
 IUL.205/GUL.205 is underwritten by Trustmark Insurance Company, Lake Forest, Illinois. In New York, Policy IUL.205 NY. R7-09 is underwritten by Trustmark Life Insurance Company of New York, Albany, New York. Limitations and exclusions may apply. Refer to the policy, certificate, and riders for complete details.

ACCIDENT INSURANCE

The Trustmark Accident insurance is designed to help cover the out-of-pocket expenses that result from a sudden covered accident. Since health insurance covers only certain expenses, an Accident insurance benefit will provide you a lump-sum cash benefit when a covered member is hurt unexpectedly.

The Plan Covers a Wide Variety of Injuries Due to Covered Accidents Such As:

- Burns and stitches.
- Dislocations or fractures.
- Emergency dental work.
- Eye injuries.

- Surgery — up to \$2,000 in reimbursable benefit.
- **Wellness visits — \$100 per person on the plan once per year (in most states).**
- Emergency room services — up to \$200 in reimbursable benefit.

Benefits are paid for non-occupational accidents* or off-the-job accidents and are paid regardless of any other Medical benefits you may have. Coverage is available for you, your spouse, and your eligible children. There are no health questions and no physical exams required.

Your coverage is portable, which means you can take your policy with you if you leave the company. Your Benefits Educator can provide you with detailed information about the plan and costs during your enrollment session.

*Benefits may vary by state, and additional benefits may be available in some states. Most benefits are paid once per person per covered accident unless otherwise noted. A-607 is underwritten by Trustmark Insurance Company, Lake Forest, Illinois.

WORKSITE CRITICAL ILLNESS INSURANCE WITH CANCER

Benefit dollars are payable to you when you are diagnosed¹ with a covered critical illness, even if you receive benefits from other insurance. You may use those benefit dollars however you see fit. You may elect an amount between \$5,000 and \$20,000. The minimum amount of coverage is \$5,000 or \$3 per week. If you choose to cover your spouse, he or she may receive 50% of the driver benefit amount; your child may receive 10% of the driver benefit.

You must fulfill the 14-day elimination period before you may receive disability benefits, which are payable at the same frequency as your paycheck. The full benefit duration is 24 complete weeks. Drivers who enroll in this coverage will be subject to a pre-existing condition limitation explained below.

Definition of Disability

You would be considered disabled for benefits because of sickness or injury if:

- You are unable to perform all the material and substantial duties of your regular occupation. To attain partial benefits, you must have a 20% or more loss in monthly earnings due to the same sickness or injury.
- Mental Illness: 12-month lifetime maximum payout. If institutionalized or confined to a hospital, then benefits may be payable for a longer term.

You would continue to receive benefits if:

- The insured meets the 51% impairment rating definition after the 24-month own occupation definition. Please refer to the plan description for further details.

401(K) RETIREMENT PLAN

Prime's Success Sharing plan allows you to save for your retirement on a pre-tax basis.

Fidelity is our 401(k) provider. For questions, call Fidelity at 800-835-5097, visit www.401k.com, or see your Human Resources Department.

New Hire Enrollment

Drivers become eligible to participate in the 401(k) plan on the first day of the calendar quarter (January 1, April 1, July 1, and October 1) after they have completed 6 full months of service. Previously eligible rehires are able to participate immediately after enrolling.

How Do I Enroll?

Prior to your entry date, you will receive an enrollment packet in the mail from Fidelity with valuable information about planning for your retirement. There are two ways to enroll:

- Go online to www.401k.com. If you do not have an account with Fidelity, you will need to register online before accessing your account.
- Call Fidelity at 800-835-5097 to speak with a customer service representative.

Contributions and Investment Options

You can contribute 1% to 75% of eligible pre-tax income up to the IRS limit of \$19,500*. Prime Inc., will match 100% of the first 3% of eligible compensation deferred and 50% of the next 2% of eligible compensation deferred. You may choose from a number of investment options, including investments managed by Prime Capital Investment Advisors. Participants are vested at 100% immediately upon contribution; therefore, any funds Prime matches on your 401(k) are yours from day one. If you leave employment, your contributions are yours. Contributions may be changed on a quarterly basis, and your investment allocations may be changed at any time.

*The annual IRS limit has not been announced for 2021.

Can I Withdraw From My Account While Still Employed?

The option to apply for a loan from your plan account is available after you have a minimum vested balance of \$2,000. You may take out a loan of up to 1/2 of your vested balance, but no more than \$50,000. Your total loan balance in a 12-month time frame may not exceed \$50,000. Participants may also be eligible for an In-Service Withdrawal (after age 59 1/2), a Rollover Contribution Withdrawal, or a Hardship Withdrawal.*

*Please see the Summary Plan Description for specific information regarding withdrawal.
