Continuing Insurance After Coverage Termination

If coverage under an American United Life Insurance Company® (AUL) Group Insurance contract terminates, in some contracts eligible insureds may be able to convert to Individual insurance. Refer to the Group Policy/Certificate for guidelines and provisions to determine if coverage is eligible for conversion.

Eligible insureds have 60 days from the date coverage terminates under the contract to apply and pay the required premium to AUL. Incomplete submissions and/or applications received after 60 days from the date coverage terminates under the group contract will be denied and any unearned premium remitted will be refunded. AUL will review the information provided to determine eligibility to continue existing coverage.
