

Information regarding your rights to Port or Convert your Life and/or Disability Insurance Coverage provided by OneAmerica

Thank you for your service to PRIME inc. Although your employment status has changed, you have options that will allow you to continue your current [life and or disability] insurance—without health questions, to help maintain your family’s financial health now and in the future.

What is conversion? Conversion allows you, and in some cases your eligible dependents, an opportunity to convert your group life insurance into an individual whole life insurance policy. To be considered for conversion of coverage, OneAmerica must receive your completed and signed application and required premium within **60 days** of termination of coverage under your employer’s group policy.

What is portability? Portability allows you to continue your coverage by transferring the coverage into an individual term life policy. To be considered for portability of coverage, OneAmerica must receive your completed and signed application and required premium within **60 days** of termination of coverage under your employer’s group policy.

To obtain a copy of these forms, please visit www.primeincbenefits.com or call **1-800-553-5318**.

If you were previously paying for any of these plans when employed and wish to continue this coverage, please complete the packet for that line of coverage. You can only continue coverage for plans you were actively enrolled in prior to your termination of employment.
